

# Welcome to PHỞ 90

*Dear Guests,*

*Some recipes are inherited. Others are carried across oceans.*

*For Chef Hung, cooking began with generations of family traditions rooted in Huế, Vietnam's former imperial capital.*

*For Chef Sang, it was inspired by the vibrant food culture of Saigon and the flavours of his childhood.*

*Together, they brought these memories to Toronto and created Pho 90, a celebration of authentic Vietnamese cuisine where every dish reflects heritage, craftsmanship, and a deep respect for tradition.*

*This June, discover a collection of seasonal specials inspired by the dishes that shaped their journey.*

*Chef Sang Nguyen & Chef Hung Ton*
